

Million Software – Installation Guide (Part 1)

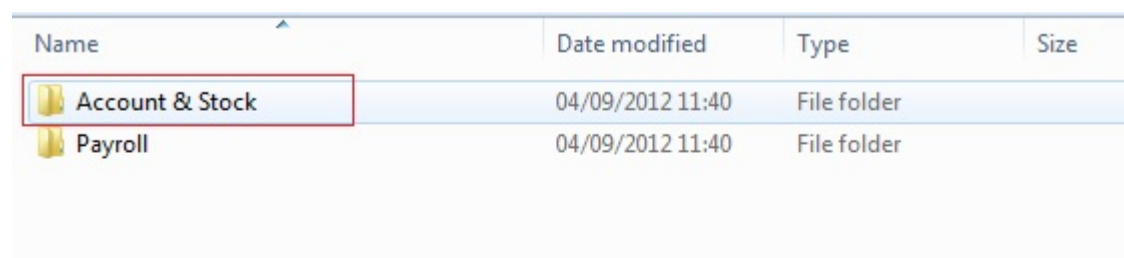

1. Insert the Million Software installation CD into the CD-ROM drive and wait for the Setup screen to appear. If the screen does not appear automatically, select the CD-ROM drive in **My Computer** or **Computer** and open the **Million Software** folder.

A screenshot of a Windows Explorer window showing a folder named 'Million Software'. The folder is highlighted with a red box. The table below shows the details of the folder.

Name	Date modified	Type	Size
Million Software	04/09/2012 11:40	File folder	

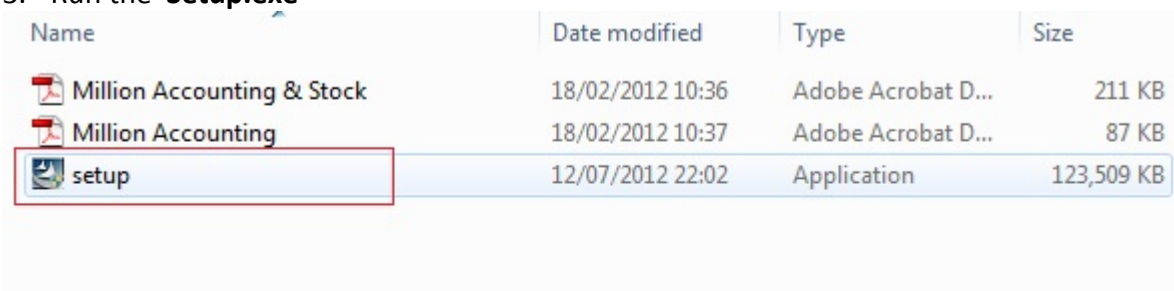

2. Open the **Account & Stock** folder.

A screenshot of a Windows Explorer window showing two folders: 'Account & Stock' and 'Payroll'. The 'Account & Stock' folder is highlighted with a red box. The table below shows the details of the folders.

Name	Date modified	Type	Size
Account & Stock	04/09/2012 11:40	File folder	
Payroll	04/09/2012 11:40	File folder	

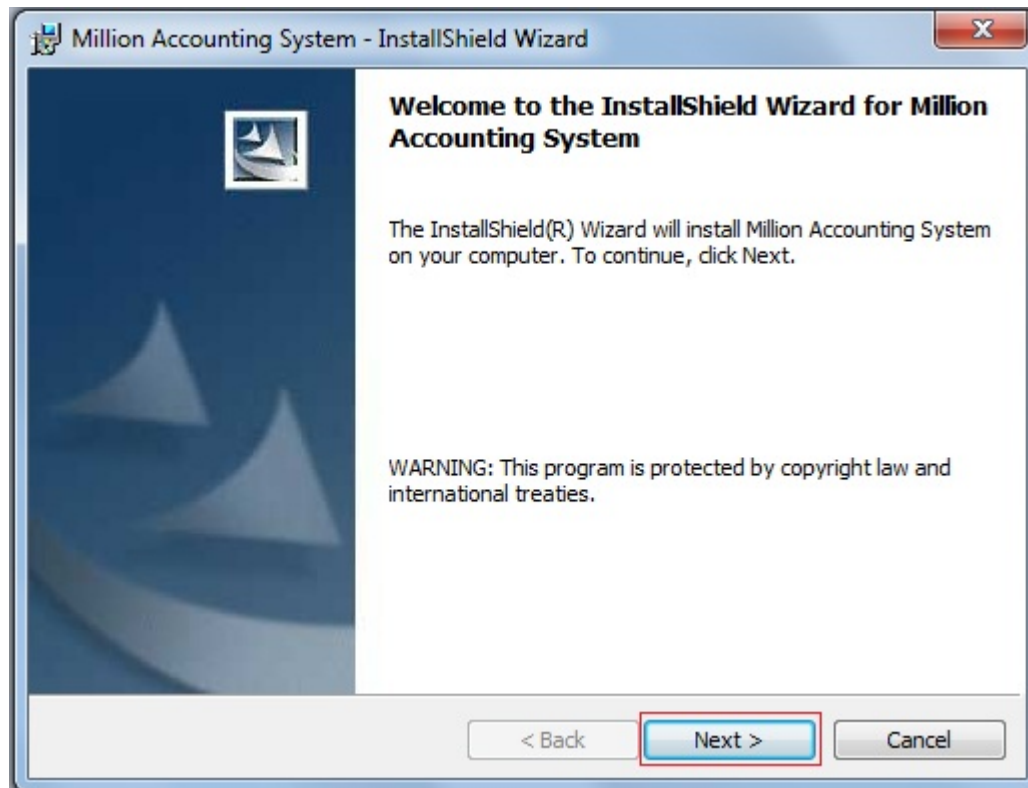

3. Run the **Setup.exe**

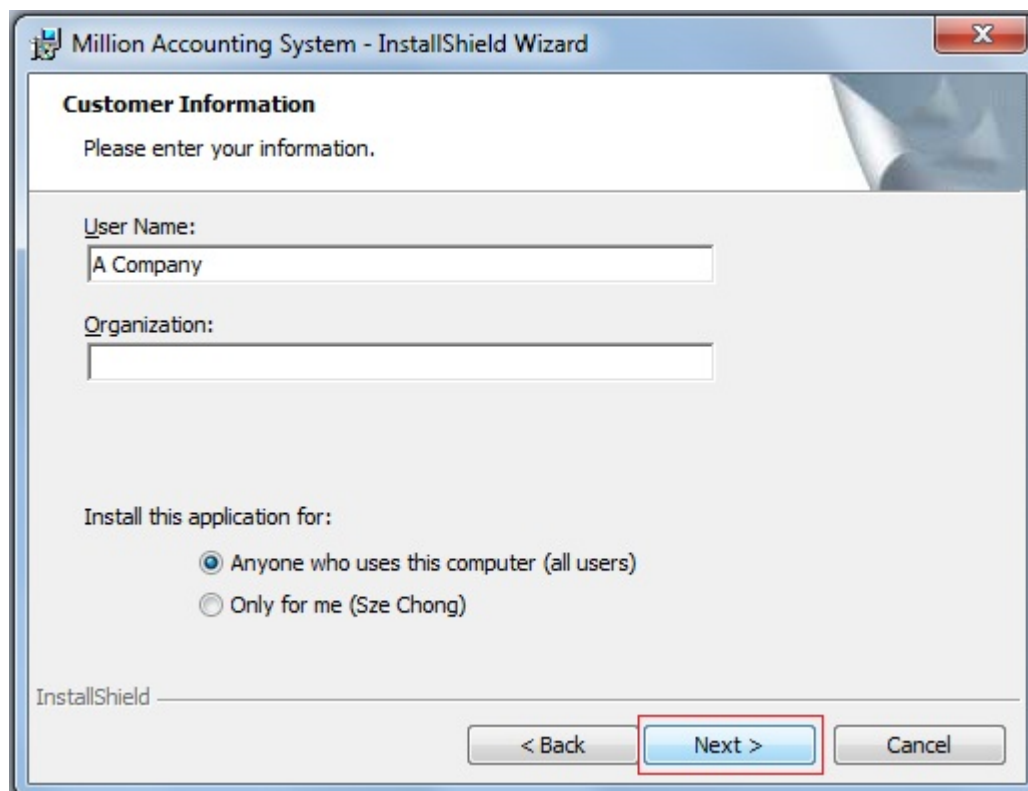

A screenshot of a Windows Explorer window showing three files: 'Million Accounting & Stock', 'Million Accounting', and 'setup'. The 'setup' file is highlighted with a red box. The table below shows the details of the files.

Name	Date modified	Type	Size
Million Accounting & Stock	18/02/2012 10:36	Adobe Acrobat D...	211 KB
Million Accounting	18/02/2012 10:37	Adobe Acrobat D...	87 KB
setup	12/07/2012 22:02	Application	123,509 KB

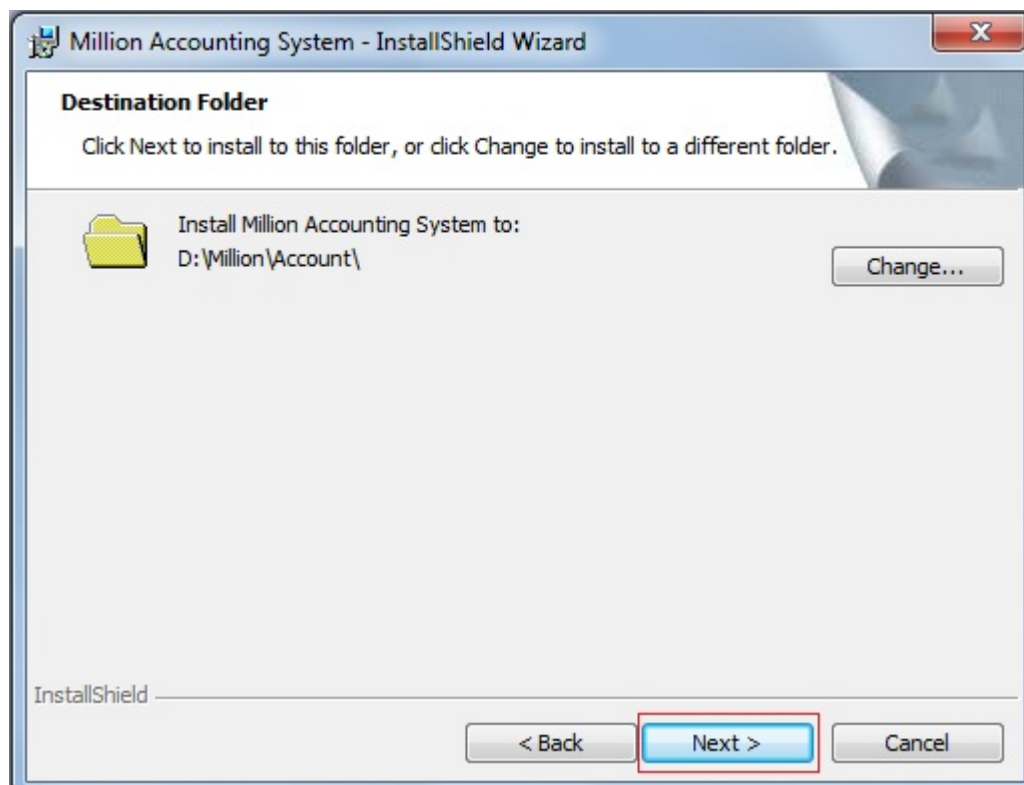

4. In the **Welcome** page, click **Next**.

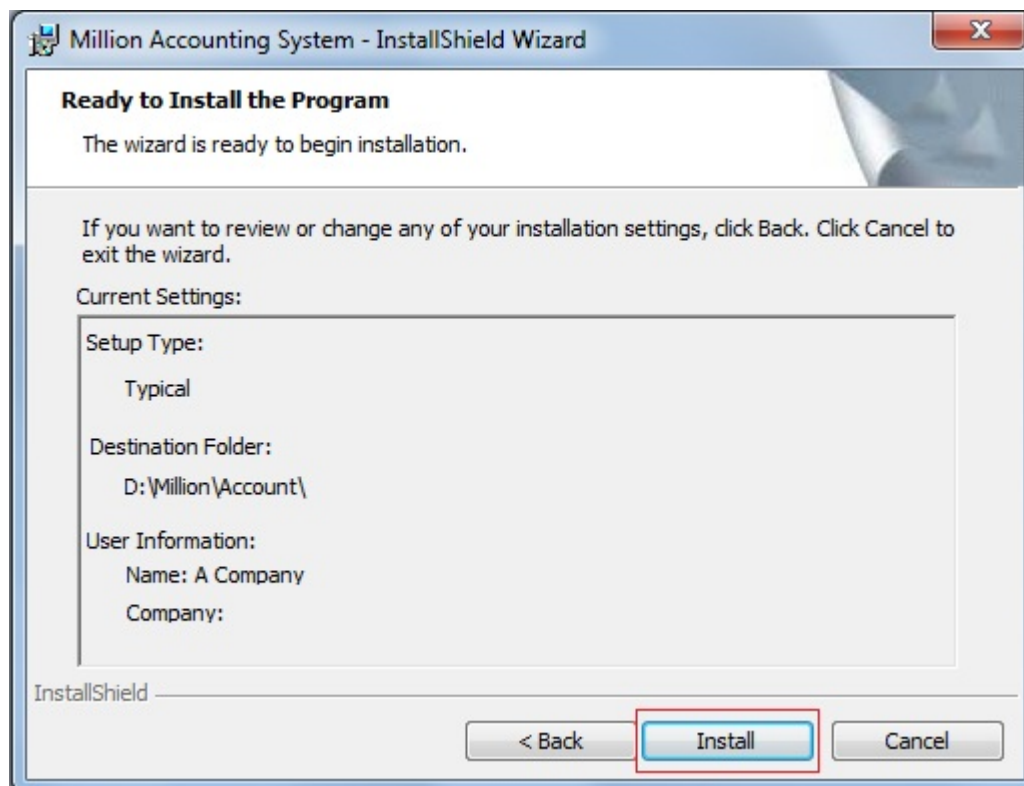

5. In the **Customer Information** page, click **Next**.

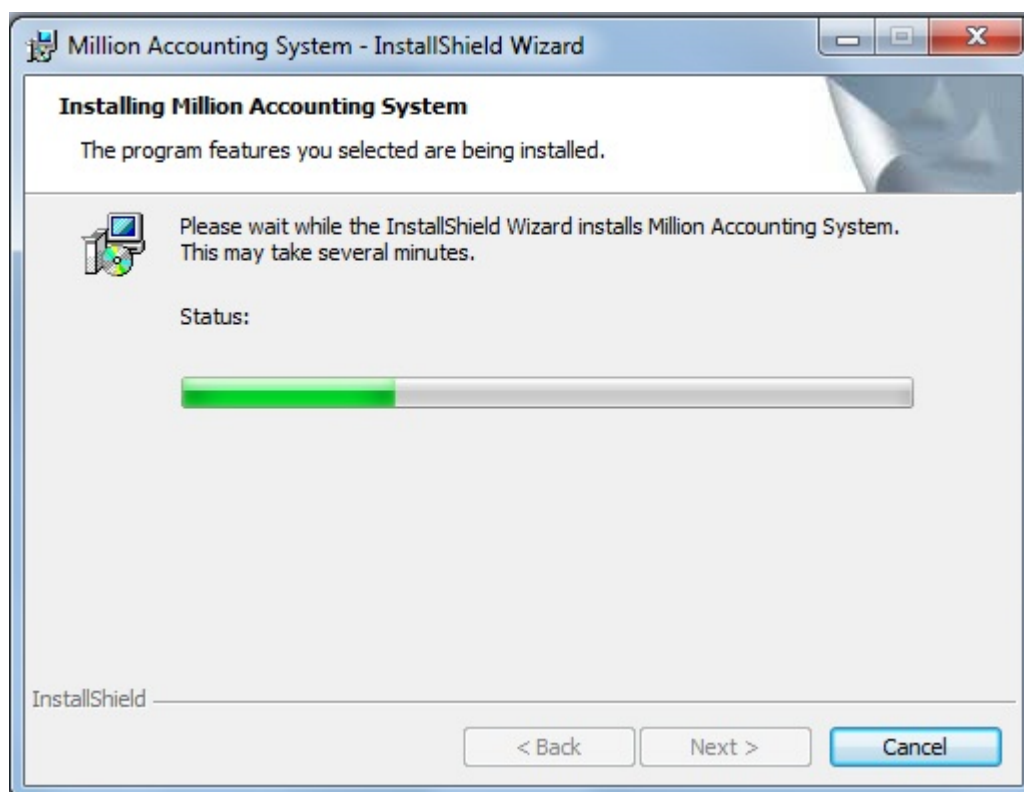

6. In the **Destination Folder** page, click **Next**.

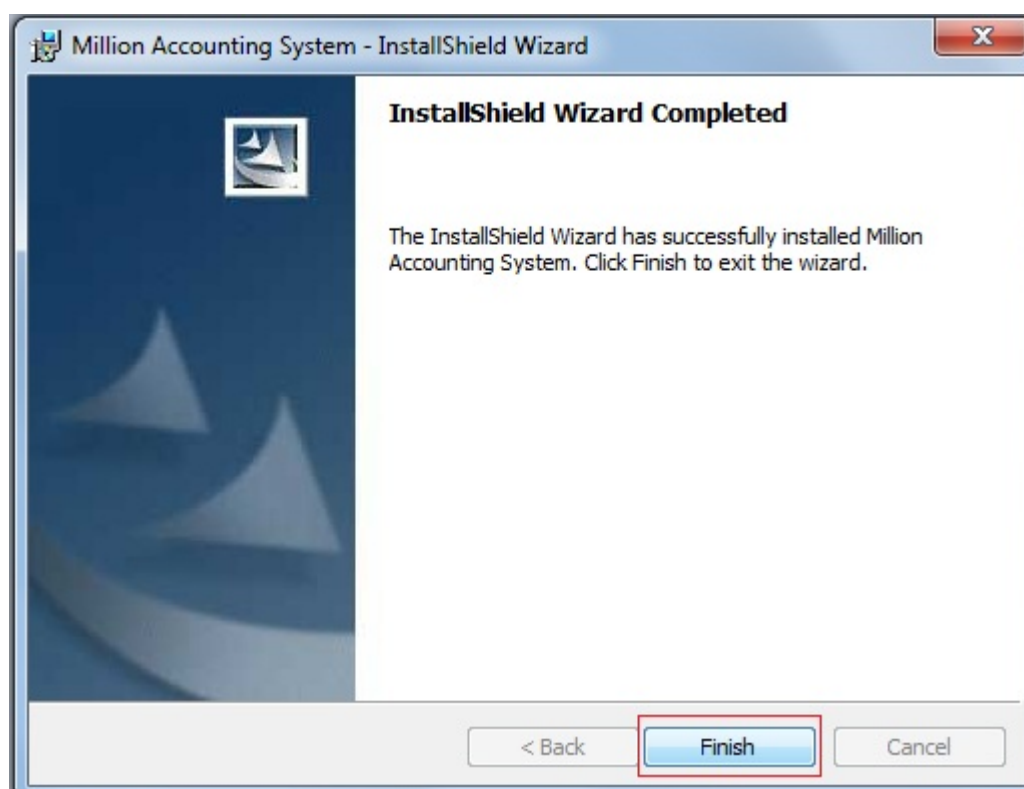

7. In the **Ready to Install** page, click **Install** and the installation process will be started.

8. When the installation process is completed, click **Finish**.

9. After installation, a Million Software icon will be created on desktop.
